CHRISTMAS CIRCUS

Produced and directed by
Laci Endresz

Christmas 2000 Souvenir Brochure and Poster

Watch in wonder as the ring magically transforms into the land of Oz and we recreate the story of Dorothy, her little dog Toto and their journey to find the Wizard.

Hear the tales of the Tin Man with no heart the Scarecrow with no brain and the cowardly Lion as they meet with Dorothy on the yellow brick road and set off to find the Emerald City.

Boo and hiss at the Wicked Witch of the West as she plots to stop Dorothy and her friends completing their journey.

You will be amazed and thrilled by the breathtaking feats of the internationally renowned circus performers.

Devised, Produced and Directed by Laci Endresz, Tip Top Productions Ltd.
Choreography and Dancers from The Langley Dance Centre
Blackpool Tower Circus Show Band, Band Leader Stuart Reynolds
Musical Arrangements by David Windle
